

REMARKS

The subject matter of U.S. Pat. Serial No. 09/547,433 (now U.S. Pat. 6,424,851) was already previously incorporated by reference in paragraph [0006] of the application as filed in both the present application and in its parent application, 09/844,687 (now U.S. Pat. 6,748,250). Therefore, no new matter has been added. Moreover, co-pendency was satisfied as U.S. Pat. App. 09/844,687 was filed April 27, 2001, which was prior to the issuance date of July 23, 2002 of U.S. Pat. App. 09/547,433.

In the event the appropriate fee and/or petition is not filed herewith and the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, Applicant petitions for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with this filing to **Deposit Account No. 50-3973** referencing Attorney Docket No. **VVMDNZ00201**. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,

John U. Han
